GIRLS AT PLAY

Before the cameras started rolling, I began to lick Sammie's pussy. There were several men around the room, like the photographer, his assistant, the house owner and more, and that proved to be an even bigger turn on for me. I had never eaten out a woman in front of this many men before. Now we get to show them what I can do. Maybe one or two will join us after we finish each other.

intake

“It’s for your own safety,” I told Mr. Basset. “General population is no place for an inmate like you.”

“I appreciate your concern,” he told me, “but I can take care of myself. Been doing it all my life.”

Bobby Basset was headstrong, stubborn as a mule, and awfully naïve. Staring at him across my desk, I sighed heavily and shook my head in dismay. He wasn’t nearly as tough as he thought. Not even close. I had tried to convince him of this without bruising his fragile male ego, tried and failed. He was nothing if not determined to get his way. Not happening, I had told him. It wasn’t up to him, anyway. It was up to me.

Understand, Basset was no ordinary inmate. He was, however, the biggest name in the adult film industry; this due to his enormous member purported to be 11 ½ inches long when fully erect. Of course, such notoriety was a major liability in prison. Basset had just gotten off the bus and he already had a bullseye on his head. The other inmates, I knew, couldn’t wait to get their hands on him.

“Protective Custody isn’t so bad,” I continued. “You make it sound like solitary confinement. It’s nothing like that, nothing at all. You’ll be housed with other inmates . . .”

“PC is for chickenshits,” he said matter-of-factly. Then, “I ain’t no chickenshit.”

Poor guy, I thought. He didn’t belong behind bars. He belonged on a film set, the camera trained on his sweaty body as he fornicated with some coked-out blonde bimbo from Peoria, Illinois.

If I sound familiar with his oeuvre—well, that’s because I am . . .

Basset’s highly publicized trial had piqued my curiosity, prompting me to patronize my neighborhood adult bookstore where I bought a selection of his work. The man can’t act for shit, but he sure can fuck. 11 ½ inches seems a conservative figure. I think he’s closer to 13, maybe even 13 ½. All this to say that Bobby Basset is hung like a moose. And them some.

But that supersized schlong of his couldn’t keep him out of trouble. If anything, it set him on the

road to ruin. Eight years in the slammer; this after getting pinched at LAX with a sizable amount of cocaine.

Now he was my problem.

“I believe we’re done here, Mr. Basset,” I said dismissively.

The ex-porn star wore a sullen frown. He would thank me later, once he saw some of those gorillas in the general population. There was only one place for Bobby Basset. Protective Custody. It was a no-brainer, the easiest decision of my professional career. At least that’s what I thought.

Until he made me a most enticing offer.

His proposal caught me off guard, to say the least, making me do a doubletake. Had I heard him correctly? Surely not. My eyes met his. I searched his face. The sullen expression was gone, supplanted by a cocksure grin I found more than a little intimidating.

“I beg your pardon?” I asked him.

“Don’t play dumb,” he said. “You heard me.”

“Mr. Basset, this meeting is officially—”

“Don’t give me that crap. You know you want it. And I’d love to give it to you. Question is, what are you willing to give me?”

“I—um—”

“Maybe this will help you make up your mind.” He rose from his chair so that I could get a good look at his crotch.

His jumpsuit was plenty baggy. Still, I could see the outline of his enormous cock. It looked like a snack coiled inside there. A very big snake. I couldn’t look away. I swallowed a lump in my throat. My pulse pounded. My pussy was wet.

Basset’s hands were cuffed in front of him. Had it not been for the restraints, I reasoned, he would have already whipped it out. I had seen it before, of course. On my television set at home. This was entirely different. This was real. This was the chance of a lifetime! All I had to do was let him serve his sentence with the general population.

That’s what he wanted, anyway. Even after I had informed him of the risks. Who was I to deny him?

I got up, closed the office door, and locked it. This was a no-no, a serious breach of prison policy, but we were short-staffed so there was no one around to notice. Returning to my desk, I opened the top drawer and produced a key. Grinning smugly, Basset raised his cuffed wrists. My hands trembled as I inserted the key. I was nervous, yet immensely excited. This was the naughtiest thing I had ever done in my life. I was being a bad girl, a very bad girl . . .

No sooner had I placed the cuffs on my desk than Basset lowered his zipper and pulled it out.

The sight of his famously big dick took my breath away. My eyes must have been huge. And he wasn’t even fully erect. Not yet. But that was about to change.

I crouched and grasped his thick shaft, enveloping it in the palm of my hand. Then I proceeded to stroke him with a nice and easy pumping motion.

“There you go,” he encouraged me. “Jerk it good, baby. Just like that . . .”

My hand sliding up and down his swollen length, I licked and lapped his ballbag before taking the entire thing in my mouth. Basset liked that; he groaned appreciatively, which encouraged me to stroke him faster. I used my free hand to unbutton my blouse, letting it fall from my shoulders before unclasping my front closure bra. My sizable tits popped free. I ran my hand all over them, caressing and kneading my soft mounds with a deft touch. My nipples re-

sponded to the stimulation, stiffening into little pink cones.

My pussy throbbed. I couldn’t wait to have him inside me, couldn’t wait to feel his mammoth member stretching and pounding my cunt . . .

I unhandd his shaft and withdrew my mouth

from his nuts. My heart pounding crazily, I sat on top of my desk and leaned back. Basset took the lead. Familiar territory, I thought, for a guy in his line of work. The only thing missing was the camera. Would its absence throw him off? I sincerely hoped not.

He pushed my skirt up above my hips. Then he removed my panties, sliding them down my legs with titillating slowness. I spread my legs, gifting him a nice view of my pussy.

“I want your big cock, Mr. Basset.”

“Call me Bobby.”

“Okay. I want your big cock, Bobby.”

He didn’t give it to me. Not right away. But he did go down on me. I lay there writhing and panting as he thrilled me with his mouth. It had been ages since my husband had eaten my twat. And even when he had—well, it was nothing like this, nothing at all.

Having tongued me oh so close to orgasm, Bas-

set had me turn over onto my hands and knees. I lowered my head to the desk, angling my back so that my ass was on perfect display, framed there for Basset's bidding.

His hands spread my butt cheeks a second or two before I felt his questing tongue on my asshole. This was a first for me. None of the men in my life had been keen on eating ass. Of course, Basset was all for it. The rimjob, I knew from viewing his movies, was one of his specialties. He introduced me to a whole new realm of sexual pleasure, poking and prodding my starfish with the tip of his magical tongue.

Again, he brought me to the brink of orgasm.

"Aaaaahhhhhhhhhhhhh," I uttered, fully aware that my coworkers down the hall could probably hear me.

Still, I was powerless to hush up.

Basset pulled out. "Turn around."

I complied.

And found myself staring at the business end of his proffered prick.

Remaining atop the desk on my hands and knees, I opened my mouth to accommodate him. He grabbed the top of my head with both hands and shoved it in. Then he fucked my face, fucked it with the frenzied piston-like thrusts of a man hellbent on blowing a massive load.

Which he did.

All over my face.

It took us a few minutes to straighten up. Confident that we both looked presentable, I cuffed Bassett's hands and opened the office door. The hallway was clear of folks. Good sign. My colleagues were hard at work inside their offices.

I led Basset to a door at the end of the hall where I handed him off to a dour, square jawed guard.

"PC?" the guard asked.

"General Population," I told him.

The guard seemed surprised by my answer. I didn't give him an opportunity to say anything before turning on my heels and heading back to my office.

Strangely enough, Basset made out okay. A few minor scuffles here and there, but nothing major. His lawyer managed to get his sentence reduced. Basset served just three years of his eight-year sentence.

I never saw him after our encounter in my office. Not at the prison, anyway. I did see him in plenty of dirty movies. After his release he resumed his adult film career. If anything, his stint in prison made him an even bigger star. Fans can't seem to get enough of the hung cocksman who survived a stay in the big house.

I hope he stays away from the cocaine.

For both of our sakes.

A second conviction could very well put him away for life. And my poor pussy could never withstand another pounding like the one he gave me my office.

The man was a maestro. He seemed to be playing me like a musical instrument, doing with me what he damn well pleased. I loved every minute of it.

None so much as when he plunged his enormous cock into my pussy. He entered me without warning, entered me fast and forcefully. I grunted. He froze for a few seconds, letting me adjust to the sheer size of him before fucking me in earnest.

He pulled his dick all the way out before stuffing it inside me; he did this repeatedly, again and again and again, pummeling my poon in the process. Moments later, my cunt lips stretched around his massive manmeat, he banged me with a series of lightning-fast jabs which made me squirt like a water pistol.

MY PUSSY'S ON FIRE

I've never been one to mess around with long introductions just to get laid. I'm just not into those silly games. I like to get fucked hard and I'll fuck you back just as hard. For me that's the norm, not like my girlfriends who tell me that they like to just lay back.

friendly neighbor

That little smile was all it took to get me flushed

One of my favorite things about college were the summers. I'd move back in with my family for two months and start off each morning with a jog. Coincidentally, our neighbor had the same habit as me and we'd cross paths, offering a friendly wave in passing. At least that's how it started.

Deborah was an older woman, though that was hard to tell from her lean figure. She always wore a matching sports bra and leggings, giving me a great view of her toned stomach and pert ass. Dirty blonde hair tied up in a ponytail that I'd watch sway for a moment after passing her and glancing back.

The first time she looked back and caught me staring, I snapped my head forward and almost tripped over myself. My shoulders were stiff until I rounded the corner out of her line of sight. Next time I saw her, she gave me a knowing look along with her wave. That little smile was all it took to get me flushed, and make running just the slightest bit uncomfortable for the next half mile.

From waving, to smiling, to winking, our interactions became more than a simple acknowledgment of each other's presence. We'd say hello to each other and

that was all it was until the day she struck up a conversation with me. We jogged in the same direction while I told her about myself. I was stupid and forgot to ask about her, but it gave me an excuse to approach her the next day. I learned that Deb was recently divorced and moved into a smaller house in the neighborhood the same year I went off for college.

After that conversation, we started meeting in the mornings to run together. One time she challenged me to a race down the street. Despite my loss, I was rewarded with the sight of her beautiful, round ass once again bouncing with each step she took. I had to wipe the awestruck look off my face as soon as she turned around to look at me and celebrate her victory. Deb teased, "Were you too busy enjoying the view?"

"Yeah," I admitted.

I reached down to readjust my pants, and her eyes followed my movements. Her gaze only made it worse for me, I was grateful once she turned and led the rest of the run. Every time I caught up with her, she grinned at me and sped up. We stayed a couple paces away from each other and I couldn't help but gawk at her.

Light green leggings giving

away every curve and accentuating her long, toned legs. Thin fabric that clung to Deb's voluptuous figure. I got so lost in my thoughts that I didn't even notice we'd stopped in front of her house. She invited me inside for some water, and I just nodded. I was afraid I'd mess things up if I said anything.

Deb didn't bother with any pretenses once I'd crossed the threshold. She backed me up against the door and pressed her

chest to mine. Delicate fingers reached down to feel my aching cock over the fabric of my shorts. I was already throbbing from the near constant erection I maintained during our run.

She stroked my length, getting me closer than I'd ever admit. Then, just as fast as she'd approached me, her warmth vanished. I didn't realize I shut my eyes until I opened them to see a glimpse of her retreating figure. On autopilot, I followed.

In her bedroom, she made a show of removing her sports bra and freeing herself from its constraints. There was a line where her bra had been, of even lighter skin. I hadn't considered Deb to be tan until I saw the smooth, ivory skin she hid underneath everything. Her breasts were far more than a handful, topped with cute pink nipples that I couldn't wait to suck on.

She stopped me from coming closer, telling me to watch first while she turned around and bent over. Hooking her thumbs into her waistband, she slowly brought them down to expose herself. Underwear and all, it came off. Inch by inch I marveled at the sight. Her ass looked even better without the leggings.

At that point, I couldn't hold myself back anymore. I surged forward and groped her rear, getting down on my knees immediately to taste and prepare her. My tongue pressed flat against her entire entrance before I pointed my

attention to her clit. I rolled the tip of my tongue in circles around it, bringing it into my mouth and lightly sucking. Hand reaching back to grip my hair, Deb pulled my head against her wet slit.

Once she'd had enough, she pulled me back by my hair and demanded I slide inside her already. She settled back on the edge of the bed, bringing her legs up to present herself. My shorts were barely past my knees when I had the tip of my cock already pressed against her dripping cunt. We both moaned as I slid inside.

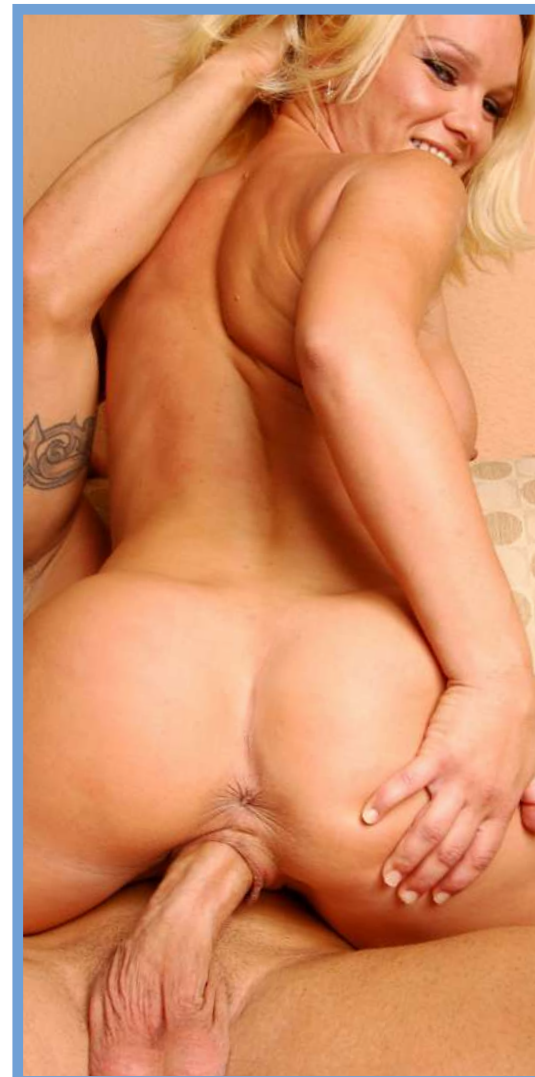

It overwhelmed my senses. To have such a warm, tight grip around my cock almost threw me over the edge immediately after the show she'd given. I held still. Letting the sensation cool down before I tried moving in and out.

When I was finally ready, I became relentless. My hips met hers with a loud wet smack. Over and over I drove my cock into Deb. She clutched my arms, sinking her nails into flesh. Her tits bouncing with every thrust, I leaned down to try and catch her nipple in between my lips. They escaped capture, opting to follow the ripple of her soft breasts moving up and down instead. Deb reached up to hold my face and bring it down to hers. She tasted herself on my tongue, and giggled with delight.

Every instruction for more or faster or harder, I followed. She rocked herself back against my hips, clearly getting close to release based off her voice. It rose in

pitch. I was sure the sound would carry all the way down the street to my own house. I didn't let up. I got to witness her muscles tense and her eyes roll back as she came around my cock.

It pushed me past what I could handle, I rushed to pull out and spill my release all over her clit. A satisfied smile watched me catch my breath. Deb swore to use me again, and she did well on that promise. For the rest of that summer, and every year after that, I got to enjoy the warm embrace of my friendly neighbor, Deb.
